

# BJR AUTHOR SUBMISSION CHECKLIST

The following checklist is provided to help you prepare a manuscript for submission to BJR. Please refer to the information in the Instructions for Authors for full details.

- All requested information included on title page
- Abstract (except for case reports and cases of the month) included
- Manuscript typed single sided and double spaced, with 25 mm margins
- All pages numbered
- All references cited in text and in list, using Vancouver notation
- All abbreviations defined in text
- All tables and figures cited in text
- All figures labelled and captions provided
- Ethics: Informed patient consent obtained, and details of ethical committee supplied, where appropriate
- Permission obtained to reproduce (both in print and electronically) any material that has been published previously

**Please submit your manuscripts via the BJR online submission and peer-review system: <http://bjr.edmgr.com>.**
