LIVER IMAGING

Venue: Etc. venues Marble Arch, London

CPD: 6 CREDITS (APPLIED FOR)

This comprehensive one day event will inform delegates of the most up to date imaging protocols and management of liver disease.

It will cover all aspects of liver radiology, from the focal benign and malignant lesions to diffuse liver disease and will evaluate a number of imaging modalities from contrast ultrasound to diffusion weighted imaging MRI. New interventional techniques and treatments will be explained and old dilemmas explored.

08:30	Registration and refreshments	11:00	Refreshments
08:55	Welcome and introduction Dr Suzanne Ryan, Consultant Radiologist, Kings College Hospital		<u>DIFFUSE LIVER DISEASE</u>
