# THE BIR/DMCI “HANDS-ON” TRAINING SERIES: HRCT IN DIFFUSE LUNG DISEASES

Venue: IET Birmingham: Austin Court

CPD: 7 credits

This event will provide delegates with “Hands-On” experience of reviewing cases with experts in the field.

Educational aims:

- To become familiar with common patterns of diffuse lung disease
- To understand the relationships between radiological patterns and the likely pathological processes
- To develop a systematic approach to HRCT interpretation in diffuse lung diseases
- To become familiar with typical and atypical appearances of specified diffuse lung diseases

In each session, delegates will be asked to review up to 10 case studies. This will be followed by an interpretation session with the experts, during which there will be dedicated time for delegates to pose questions and to interact with tutors.

## Programme

08:30	<b>Registration</b>
09:00	<b>Introduction</b>
09:20	<b>Key HRCT patterns and their pathological meanings</b> Dr Simon Padley/Dr Arjun Nair
09:40	<b>“Hands-On” case review and discussion</b>
11:00	<b>Refreshments</b>
11:20	<b>An approach to HRCT in diffuse lung diseases</b> Dr Sujal Desai
11:45	<b>“Hands-On” case review and discussion</b>
13:00	<b>Lunch</b>
14:00	<b>“Hands-On” case review and discussion</b>
15:30	<b>Refreshments</b>
15:50	<b>“Hands-On” case review and discussion</b>
17:30	<b>Close</b>

## Faculty

### Dr Sujal Desai

Consultant Radiologist and  
Honorary Senior Lecturer  
King's College London

Dr Sujal Desai is a Consultant Radiologist and Honorary Senior Lecturer at King's College Hospital where he is the Radiology Lead for imaging of pulmonary diseases. Dr Desai trained in medicine at the University of London and in radiology at King's College Hospital and the Royal Brompton Hospital.

### Dr Arjun Nair

Consultant Radiologist  
Guy's and St Thomas' NHS  
Foundation Trust

Dr Arjun Nair is a Consultant Radiologist with a sub-specialty interest in cardiothoracic imaging at Guy's and St Thomas' NHS Foundation Trust. Dr Nair qualified from the University of Edinburgh Medical School in 2001 and was awarded the MRCP in 2005. He undertook radiology training at St George's Hospital.

## Event information

The number of places will be limited so that delegates can experience a more personalised, interactive method of teaching. Early booking is therefore strongly advised.

The course will be run on iMacs to provide all delegates with the best possible interactive experience.

### Dr Simon Padley

Consultant Radiologist  
Royal Brompton and Harefield  
NHS Foundation Trust

Dr Simon Padley is a Consultant Radiologist who leads the lung cancer imaging and intervention service and cardiac CT service at the Royal Brompton and Harefield NHS Foundation Trust and Chelsea and Westminster Hospital NHS Foundation Trust. Dr Padley specialises in thoracic and vascular imaging and intervention.
