

**PET/CT – PRACTICAL ISSUES, CLINICAL
APPLICATIONS AND FUTURE DIRECTIONS**
ORGANISED BY THE BIR SOUTH WEST BRANCH
Venue: Cobalt Imaging Centre, Cheltenham

CPD: 2 CREDITS

PET/CT – PRACTICAL ISSUES, CLINICAL APPLICATIONS AND FUTURE DIRECTIONS

Venue: Cobalt Imaging Centre, Cheltenham

CPD: 2 CREDITS

This evening event will cover the practical elements of providing a PET/CT service as well as the current and future applications of such a service. It will explore the developing role of PET/CT scanning in oncology and neurology, and includes a tour of the innovative Cobalt Imaging Centre and its state of the art PET/CT facilities.

This event is aimed at clinicians who come into contact with PET/CT but it can also act as an introduction for those who want a greater understanding of PET/CT.
