THE BIR/DMCI "HANDS-ON" TRAINING SERIES: HEAD AND NECK IMAGING

Venue: Etc. venues The Hatton, London

CPD: 7 credits

This "Hands-On" event in head and neck radiology is designed to familiarise and guide delegates through a range of head and neck disorders. Firstly, an appreciation of common head and neck emergencies is covered to enable the delegates to be comfortable with potential on call cases. In the subsequent sessions the delegates will learn how to report CT/MR imaging of the paranasal sinuses and temporal bones and then a focus on the basic concepts of head and neck oncology imaging.

Specific topics to be covered:

- Acute head and neck emergencies
- Temporal bone imaging
- CT sinus interpretation
- Head and neck oncology

In each session delegates will be asked to review between 10 and 15 cases followed by an interpretation session with a head and neck radiologist. The sessions are interactive enabling delegates to ask questions throughout the course.

Programme

08:45	Registration
09:00	Introduction and software instructions
09:15	"Hands-On" case review and discussion - Acute Head and Neck Emergencies

Faculty

Dr Ashok Adams

Consultant ENT/
Neuroradiologist,
Barts Health NHS Trust

Dr Ashok Adams is a Consultant ENT/Neuroradiologist at Barts Health NHS Trust. He commenced his radiology training at the Royal London Hospital in 2008, after which he joined the pan London neuroradiology fellowship. As the majority of his training has been at a long established Level 1 trauma centre, he has accumulated a vast experience in neuroradiology trauma.

Dr Polly Richards

Consultant Neuroradiologist,
Barts Health NHS Trust

Dr Polly Richards is a Neuroradiologist specialising in Head and Neck Imaging and has been a consultant at Barts and the London since 2002. She trained in Oxford, Bristol and London before doing a subspecialty Fellowship in Head and Neck Imaging in Hong Kong. She has a particular interest in ultrasound of the neck and has previously been the Chairman of the British Society of Head and Neck Imaging.

Event information

The number of places will be limited so that delegates can experience a more personalised, interactive method of teaching. Early booking is therefore strongly advised.

The course will be run on iMacs to provide all delegates with the best possible interactive experience.

Registration Fees

Non-member	£400
BIR Plan 1 member	£300
