# MSK IMAGING SERIES: RHEUMATOLOGICAL IMAGING

Venue: Etc. venues Marble Arch, London

CPD: 5 CREDITS

A study day covering common rheumatological imaging challenges faced by the specialist and non-specialist reporting radiologist. Engaging and informative talks will be delivered by specialists in the field with a wide range of topics covered including what the rheumatologist needs to know, spondyloarthritis, joint based disease and current best practice.

Educational aims:

- To identify and stage common rheumatological disease
- To familiarise delegates with current techniques in diagnosing rheumatological disease
