

### **Fellows Elected by Council – September 2017**

- **Dr Elspeth Whitby**

Elspeth Whitby is a Senior Lecturer at the University of Sheffield and has played a proactive and important role in the Institute for a long time. She was first a member of the BIR's Magnetic Resonance Committee and then went on to become Chair of the BIR's Northern Branch. Elspeth joined Council in 2014 as Vice President for Education, a role which included chairing the BIR's Education Committee. Elspeth also led on developing the BIR's first portfolio programme on Fetal MRI.

- **Mr Matthew Dunn**

Matt Dunn is Head of Radiology Physics at Nottingham University Hospital. Matt became Honorary Secretary on the BIR's Council in 2013. This role has involved him chairing the Institute's Audit Committee as well as overseeing the BIR's various special interest groups and the regional branches. He has encouraged greater engagement and input from the special interest groups into all the areas of the BIR's business.

- **Mr Charles Sloane**

Charles Sloane is a Principal Lecturer at the University of Cumbria. He has served the BIR for a number of years, first on the Education Committee and then on the BIR's Accreditation Committee, where he helped to develop a series of standards, processes and checklists for the approval of BIR educational activities and external educational activities. Charles joined Council as an Ordinary Trustee in 2013 and has been a proactive member contributing greatly to issues involving radiographer involvement.
