THE BIR/DMC RADIOLOGY REPORTING “HANDS-ON” TRAINING SERIES: HRCT IN DIFFUSE LUNG DISEASES

Venue: Radisson Blu Hotel, Edinburgh

CPD: 7 CREDITS

This event will provide delegates with “Hands-On” experience of reviewing cases with experts in the field.

Educational aims:

- To become familiar with common patterns of diffuse lung disease
- To understand the relationships between radiological patterns and the likely pathological processes
- To develop a systematic approach to HRCT interpretation in diffuse lung diseases
- To become familiar with typical and atypical appearances of specified diffuse lung diseases

In each session, delegates will be asked to review up to 10 case studies. This will be followed by an interpretation session with the experts, during which there will be dedicated time for delegates to pose questions and to interact with tutors.

Programme

08:30	Registration
09:00	Introduction
09:20	Key HRCT patterns and their pathological meanings Professor Simon Padley / Dr Arjun Nair
09:40	“Hands-On” case review and discussion
11:00	Refreshments
11:20	An approach to HRCT in diffuse lung diseases Professor Sujal Desai
11:45	“Hands-On” case review and discussion
13:00	Lunch
14:00	“Hands-On” case review and discussion
15:30	Refreshments
15:50	“Hands-On” case review and discussion
17:30	Close of event

This course provides 7 CPD credits in accordance with the CPD Scheme of the Royal College of Radiologists

Faculty

Professor Sujal Desai

Consultant Radiologist, Royal Brompton and Harefield NHS Foundation Trust and Honorary Senior Lecturer Imperial College London

Professor Sujal Desai is a Consultant Radiologist at Royal Brompton and Harefield NHS Foundation Trust. Dr Desai trained in medicine at the University of London and in radiology at King's College Hospital and the Royal Brompton Hospital.

Dr Arjun Nair

Consultant Radiologist, University College London Hospitals

Dr Arjun Nair is a Consultant Radiologist with a sub-specialty interest in cardiothoracic imaging. Dr Nair qualified from the University of Edinburgh Medical School in 2001 and was awarded the MRCP in 2005. He undertook radiology training at St George's Hospital.

Event information

The number of places will be limited so that delegates can experience a more personalised, interactive method of teaching. Early booking is therefore strongly advised.

The course will be run on iMacs to provide all delegates with the best possible interactive experience.

Professor Simon Padley

Consultant Radiologist and Clinical Director, Royal Brompton and Harefield NHS Foundation Trust

Professor Simon Padley is a Consultant Radiologist at the Royal Brompton Hospital and Professor of Practice (diagnostic and interventional radiology), Imperial College London. Professor Padley leads the lung cancer imaging plus the interventional and cardiac CT service at the Royal Brompton Hospital. He specialises in thoracic and vascular imaging and intervention.

THE BIR/DMC RADIOLOGY REPORTING “HANDS-ON” TRAINING SERIES:

HRCT IN DIFFUSE LUNG DISEASES

Venue: Radisson Blu Hotel, Edinburgh

80 High Street, The Royal Mile
Edinburgh EH1 1TH

BY TRAIN

The Radisson Blu Hotel, Edinburgh is within easy walking distance of the city's central railway hub, Waverley Station. Waverley is the main route into the city, and is serviced by trains from England's west coast line coming up from Birmingham and the Lake District, as well as England's east coast line that originates in London and calls at York and Newcastle.

Direct trains from London's Kings Cross now reach Edinburgh Waverley in less than four and a half hours. There are regular services coming south too from Inverness and Aberdeen, plus a shuttle service that runs to and from Glasgow, Scotland's other major city, every 15 minutes. Direct trains from Edinburgh Waverley to the centre of Glasgow take just 50 minutes.

BY BUS

St Andrew's Square Bus Station, the main bus route into the city is just a short walk away, on the other side of Waverley Station and Princes Street.

BY CAR

Main roads into the city centre lead towards Princes Street just two minutes away from the hotel.

PARKING

You can park at the Radisson Blu Hotel, Edinburgh for a fee of £12.50 per night. We have car parking space for 131 vehicles, available on a first come, first served basis.

When approaching the hotel southwards from Princes Street, turn left from North Bridge and continue to the first set of traffic lights. Turn right down St Mary's Street, then take your first right at the traffic lights onto the Cowgate, and then right up Blackfriars Street.
