# BIR MRI COURSE: NEUROIMAGING

Venue: The British Dental Association, London

CPD: 7 CREDITS

This one-day course will provide a high-quality, interactive learning experience, delivered through a mix of didactic lectures and interactive workshops.

This course is suitable for radiologists, physicists and radiographers at all stages of their career. We welcome those in training or newly appointed, through to fully qualified and experienced practitioners.

Educational aims:

- To focus on clinical MRI in everyday practice
- To facilitate learning through didactic and interactive sessions
- To offer high-quality interactive learning from experts in the field who will be on-hand to help delegates through case based work and answer their specific questions
