

BIR ANNUAL CONGRESS 2019

7–8 November 2019
etc.venues County Hall, London

#BIRAC19

BIR Annual Congress 2019

The BIR Annual Congress continues to get BIGGER and BETTER! Now at etc.venues County Hall with three exciting streams that offers a comprehensive programme on the latest innovations in imaging and treatment to medical imaging professionals and their senior management teams.

Taking place over two days, the event provides excellent opportunities to meet delegates and network in an open and relaxed environment (including an opportunity to attend Congress dinner and networking drinks).

Schedule of events

Day 1

- 08:45 Registration opens
- 09:15 Welcome speech by the BIR President
- 09:30 Lecture begins
- 17:00 Drinks reception followed by Congress dinner

Day 2

- 09:00 Registration
- 09:30 Lecture begins
- 17:15 Close of event

Who should attend?

This multidisciplinary event will appeal to anyone within radiology, radiation oncology and the underlying sciences, including radiologists, physicists, radiology managers, radiographers, oncologists, clinical scientists, physicians, heads of department, decision makers, radiation protection advisers and supervisors.

Five reasons to attend

1. Enhance your knowledge
2. Hear from experts in the field
3. Network with colleagues and peers
4. Extensive ePoster exhibition
5. Meet industry representatives

Creativity – innovation in action

ePosters

We once again see the return of electronic posters, which can be viewed on the screens located in the foyer. This will provide delegates with one-to-one interaction with presenters during the ePoster sessions.

Headline session

The BIR Sir Godfrey Hounsfield lecture and awards

Professor Andrew Scarsbrook
Consultant Radiologist and Nuclear
Medicine Physician
Leeds Teaching Hospitals NHS Trust
Friday 8 November 14:00

Congress dinner

The Congress Dinner provides a fantastic opportunity to mix with other delegates, speakers and industry representatives in a relaxed and social environment.

Tickets are £55.

To attend the dinner, please book online and select the dinner ticket or call us on 020 3668 2228.

CALL FOR ABSTRACTS

We are looking for abstracts for ePoster presentations relating to all areas of medical imaging and radiotherapy, including educational, case reports, audits and research. Submit on bir.org.uk

Submission deadline: 5pm Friday 31 May 2019

Stream A

IMAGING IN OBESITY (AM)

INCIDENTALOMAS (PM)

08:45 **Registration and refreshments**

09:15 **President's welcome and introduction**

Dr Jane Phillips-Hughes, Consultant Radiologist, Oxford University Hospitals NHS Foundation Trust

Session 1: Imaging in obesity

Chair: Professor Stuart Taylor and Dr Sridhar Redla

09:30 **Epidemiology, pathophysiology and insights from fMRI**

Dr Janine Makaronidis, Clinical Research Associate, University College London Hospitals NHS Foundation Trust

10:00 **Bariatric surgery: Operations and complications**

Dr Dominic Blunt, Consultant Radiologist, Imperial College Healthcare NHS Trust

10:30 **Measuring of organ fat**

Dr Manil Chouhan, Consultant Radiologist, University College London Hospitals NHS Foundation Trust

11:00 **Break**

11:30 **Imaging of large abdominal hernias – what to look for and how to report**

Dr Andrew Plumb, Consultant Radiologist, University College London Hospitals NHS Foundation Trust

Session 2: Incidentalomas

Chair: Dr Jeevan Kumaradevan

12:00 **"Don't touch me" bone lesions**

Dr Paul O'Donell, Consultant Radiologist, Royal National Orthopaedic Hospital

12:30 **Conundrum of lung cancer screening**

Dr Nick Screaton, Consultant Cardiothoracic Radiologist, Papworth Hospital NHS Foundation Trust

13:00 **Lunch**

14:00 **Plenary session: Title and speaker to be confirmed**

15:00 **Break**

15:30 **Incidental neck lumps and thyroid lesions**

Dr David McKean, Consultant Radiologist, Stoke Mandville Hospital

16:00 **Incidental renal and adrenal lesions**

Dr Alison Elstob, Consultant Uroradiologist, St George's University Hospitals NHS Foundation Trust

16:30 **Incidental pancreatic cysts – imaging and management**

Dr Jamie Franklin, Consultant Radiologist, The Royal Bournemouth and Christchurch Hospitals NHS Foundation Trust

17:00 **Close of day**

19:00 **Congress dinner**

Thursday 7 November

Stream B

RADIOLOGY ERRORS AND ARTIFICIAL INTELLIGENCE

08:45 Registration and refreshments

09:15 President's welcome and introduction

Dr Jane Phillips-Hughes, Consultant Radiologist, Oxford University Hospitals NHS Foundation Trust

Chair: Dr Teik Choon See and Dr Hugh Harvey

09:30 AI: Safety in clinical practice

Dr Nicola Strickland, President, Royal College of Radiologists

10:00 Errors and near misses in breast imaging

Dr Rosalind Given-Wilson, Consultant Radiologist, St George's University Hospitals NHS Foundation Trust

10:30 AI in breast imaging

Dr Hugh Harvey, Clinical Director, Kheiron Medical

11:00 Break

11:30 Errors and near misses in neuroimaging

Professor Sotirios Bisdas, Consultant Associate Professor of Neuroradiology, University College London Hospitals NHS Foundation Trust

12:00 AI in neuroimaging

Dr Shah Islam, Clinical Research Fellow, Imperial College Healthcare NHS Trust

12:30 Who carries the can – ethics, validation and regulation

Speaker to be confirmed

13:00 Lunch

14:00 Plenary session: Title and speaker to be confirmed

15:00 Break

15:30 Errors and near misses in chest imaging

Professor Simon Padley, Professor of Practice (Diagnostic and Interventional Radiology), Imperial College Healthcare NHS Trust; Consultant Radiologist and Clinical Director, Royal Brompton and Harefield NHS Foundation Trust

16:00 AI in chest imaging and how it can prevent / minimise errors

Professor Giovanni Montana, Professor of Biostatistics and Bioinformatics, Warwick University

16:30 Panel discussion

17:00 Close of day

19:00 Congress dinner

Thursday 7 November

Stream C

PATIENT DOSE – ALL YOU NEED TO KNOW (AM)

LATEST RADIATION SAFETY PRACTICE – WHAT DOES ‘BEST PRACTICE’ LOOK LIKE? (PM)

08:45 Registration and refreshments

09:15 President's welcome and introduction

Dr Jane Phillips-Hughes, Consultant Radiologist, Oxford University Hospitals NHS Foundation Trust

Session 1: Patient dose – all you need to know

Chair: Mr Andy Rogers

09:30 Patient dose – from dummies to experts

Dr Isabel Castellano, Head of Diagnostic Radiology Physics Group, The Royal Marsden Hospital (Sutton)

10:00 DRLs and patient dose management – why, what and how?

Mr Peter Hiles, Head of Radiation Physics, Glan Clywd Hospital

10:30 Dose teams – what are they and do they work?

Ms Gillian Asher, Quality Assurance Radiographer, Sherwood Forest Hospitals NHS Trust

11:00 Break

11:30 Patient dose management systems: Does the many many beat the few

Mr Matthew Dunn, Radiation Protection Adviser, Nottingham University Hospitals NHS Trust

12:00 Optimisation – paediatric and arm surgical procedures

Mr Kenneth O'Dowd, Imaging Physicist, Nottingham University Hospitals NHS Trust

12:30 Issues with implementation of new imaging technology – virtual grid case study

Professor Maryann Hardy, Professor of Radiography and Imaging Practice Research, University of Bradford

13:00 Lunch

14:00 Plenary session: Title and speaker to be confirmed

15:00 Break

Session 2: Latest radiation safety practice – what does ‘Best Practice’ look like?

Chair: Mrs Helen Hughes

15:30 Role of the Radiation Protection Supervisor in practice improvement

Ms Julie August, Chief Cardiac Catheter Laboratory Radiographer, Nottingham University Hospitals NHS Trust

16:00 Personal monitoring: The current state-of-the-art

Dr Colin Martin, Head of the Health Physics Division, NHS Greater Glasgow and Clyde

16:30 Compliance against IRMER – did the new regulations make a difference?

Mr Matthew Dunn, Radiation Protection Adviser, Nottingham University Hospitals NHS Trust

17:00 Close of day

19:30 Congress dinner

Friday 8 November

Stream A

POST-TREATMENT IMAGING

09:00 Registration and refreshments

Chair: Dr Kannan Rajesparan and Dr Sridhar Redla

09:30	Post-treatment of chest Dr Nick Watson, Consultant Radiologist, University Hospitals of North Midlands NHS Trust
-------	--

10:00	Post-intervention of liver Dr Jim Gordon-Smith, Consultant Radiologist, NHS Lothian
-------	---

10:30	Post-operative abdomen Dr Kieran Foley, Consultant Academic Radiologist, Cwm Taf University Health Board
-------	--

11:00 Break

11:30	Rectal cancer: What is the latest and post-treatment changes Professor Stuart Taylor, Professor of Medical Imaging, University College London Hospitals NHS Foundation Trust
-------	--

12:00	Therapy related changes on FDG PET/CT Dr Tara Barwick, Consultant Radiologist and Nuclear Medicine Physician and Honorary Clinical Senior Lecturer, Imperial College Healthcare NHS Trust
-------	---

12:30	Post-operative spine imaging Speaker to be confirmed
-------	--

13:00 Lunch

14:00	The BIR Sir Godfrey Hounsfield lecture and awards: 'PET/CT: From evolution to revolution' Professor Andrew Scarsbrook, Consultant Radiologist and Nuclear Medicine Physician, Leeds Teaching Hospitals NHS Trust
-------	--

15:15 Break

15:45	Please join stream B or C
-------	----------------------------------

17:15 President's closing remarks and close of event

Friday 8 November

Stream B

MANAGEMENT MATTERS!

09:00 Registration and refreshments

Chair: Dr Elizabeth Loney

09:30 Clinician to Chief Executive – pearls and pitfalls

Speaker to be confirmed

10:00 The model hospital – what is it and how can it benefit us in radiology?

Speaker to be confirmed

10:30 Workforce planning – an integrated approach

Professor Beverley Snaith, Consultant Radiographer, Mid Yorkshire Hospitals NHS Trust

11:00 Break

Chair: Dr Gopinath Gnanasegaran and Professor Erika Denton

11:30 Managed equipment services – the why, what and how: A clinician's perspective

Dr Elizabeth Loney, Consultant Radiologist, County Durham and Darlington NHS Foundation Trust

12:00 Surviving a CQC inspection – an insider's view

Mrs Wendy Wilkinson, Director of Clinical Quality, InHealth

12:30 Radiology GIRFT – the story so far

Dr Giles Maskell, Consultant Radiologist, Royal Cornwall Hospitals NHS Trust

13:00 Lunch

14:00 The BIR Sir Godfrey Hounsfield lecture and awards: 'PET/CT: From evolution to revolution'

Professor Andrew Scarsbrook, Consultant Radiologist and Nuclear Medicine Physician, Leeds Teaching Hospitals NHS Trust

15:15 Break

Chair: Dr Ai Lee Chang and Dr David Eaton

15:45 Building resilience to maximise your potential

Ms Nicola Arnold, Professional Certified Coach, Royal Surrey County Hospital NHS Foundation Trust

16:15 Personal insights, Philips Healthcare

17:15 President's closing remarks and close of event

Friday 8 November

Stream C

CASES FROM THE ARCHIVES

09:00 Registration and refreshments

Chair: Dr Tilak Das

09:30	Cases from the archives: Cardiothoracic imaging Dr Naveen Sharma, General and Cardiothoracic Radiology Consultant, Lister Hospital
10:00	Cases from the archives: Neuroradiology / head and neck imaging Dr Tilak Das, Consultant Neuroradiologist, Cambridge University Hospitals NHS Foundation Trust
10:30	Cases from the archives: Paediatric interventional radiology Speaker to be confirmed

11:00 Break

Chair: Dr Teik Choon See and Dr Andrew Nanapragasam

11:30	Cases from the archives: Non-interpretive radiology Dr Giles Maskell, Consultant Radiologist, Royal Cornwall Hospitals NHS Trust
12:00	Cases from the archives: Musculoskeletal radiology Dr Richard Fawcett, Consultant Musculoskeletal Radiologist, Leeds Teaching University Hospitals NHS Trust
12:30	Cases from the archives: Abdominal imaging Dr Vikas Shah, Consultant Radiologist, University Hospitals of Leicester NHS Trust

13:00 Lunch

14:00 **The BIR Sir Godfrey Hounsfield lecture and awards: 'PET/CT: From evolution to revolution'**
Professor Andrew Scarsbrook, Consultant Radiologist and Nuclear Medicine Physician, Leeds Teaching Hospitals NHS Trust

15:15 Break

15:45 QUIZ

17:15 President's closing remarks and close of event

BIR ANNUAL CONGRESS 2019

Reviews from BIR Annual Congress 2018

“The event was very enjoyable, the posters were good, the exhibition stands were useful to me too. I was able to pick up a lot of useful information relevant to my professional role.”

“Excellent presentations with educational content. Amazing venue – good to network.”

“I attended the radiation safety stream on day 1 and the AI stream on day 2. Both were incredibly informative and I have passed on information learned to my colleagues.”

“It was a very useful and informative course. It was very interesting and I will recommend it to colleagues.”

VENUE

**etc.venues County Hall
Riverside Building
Belvedere Road
London
SE1 7BP**

BY THE LONDON UNDERGROUND:

The closest tube stations are Westminster (Northern, District and Circle lines) and Waterloo (Northern, Bakerloo, Jubilee and Waterloo and City lines)

BY TRAIN:

Waterloo station is less than a ten minute walk from the venue.

BY BUS:

etc.venues County Hall is located on the south end of Westminster Bridge and is served by bus routes RV1, 12, 53, 76, 77, 148, 159, 211, 453, and 507.

BY RIVER BUS:

etc.venues County Hall is our first venue accessible via pier – London Eye Pier is served by River Bus route RB1, the service runs seven days a week, every 20 minutes from North Greenwich via Canary Wharf.
