EMERGENCY/ACUTE IMAGING: ORGANISED BY THE SWRA IN ASSOCIATION WITH THE BIR WESSEX/SOUTH WEST BRANCHES

Venue: Salisbury District Hospital

Odstock Rd, Salisbury SP2 8BJ

Salisbury District Hospital is situated two miles south of Salisbury on Odstock Road.

Directions by Car

From the north or east, join the Churchill Way ring road and follow the signs for the District Hospital.

From the west on the A30/A36 turn right at Park Wall junction, Wilton onto the A3094 to avoid going through Salisbury and follow the signs for the District Hospital.

From the south follow the A338 towards Salisbury, pass the park and ride on your left and take the next left at the traffic lights and left at the top of the hill.

Entrances to the hospital are marked 'A' and 'B' and the car parks are numbered and clearly signposted for patient/visitor parking.

Getting to Hospital by Taxi

Taxi ranks can be found at New Canal in the city centre and at the Railway Station. The approximate cost of a journey from the city centre to Salisbury District Hospital is £7-8.
