# DEMENTIA IMAGING

Venue: TBC, London

CPD: 6 CREDITS

In this one day event, we aim to highlight the importance of imaging in the diagnosis of dementia including CT, MRI and functional imaging. We will discuss the importance of collaboration with clinicians in the selection of appropriate imaging modalities and the complementary roles of cross sectional and functional imaging and will also discuss the impact on social care and all workers in dementia services.

Educational aims:

- To learn the importance of selecting the right imaging modality
- To understand the importance of combined clinical and imaging data
- To gain knowledge about the impact on overall patient care

Who should attend: Radiologists, nuclear medicine physicians, psychiatrists, health care of the elderly physicians, social care workers in dementia, nuclear medicine technologists and nurses, PET CT providers as well as industry and researchers in dementia.

<b>08:30</b>	<b>Registration and refreshments</b>	<b>11:45</b>	<b>FDG in dementia</b> Dr Teresa Szyszko, Consultant in Nuclear Medicine and Radiology, Clinical PET Centre, Guy's and St Thomas' NHS Foundation Trust

# DEMENTIA IMAGING

Venue: etc.venues Farringdon- The Hatton, London

etc. venues Farringdon- The Hatton  
51-53 Hatton Garden  
London  
EC1N 8HN

BY LONDON UNDERGROUND- FARRINGDON STATION:  
Option 1: Turn left onto Turnmill Street. At the end turn left onto Clerkenwell Road. Hatton Garden is the third turn on the left. Option 2: Turn right onto Turnmill Street. Turn right onto Cowcross Street. Walk past the station entrance. Cross Farringdon Road onto Greville Street. Hatton Garden is the third turn on the right.

BY TRAIN- FARRINGDON/THAMESLINK:  
Exit the station onto Cowcross Street, turn right and cross over Farringdon Road onto Greville Street. Hatton Garden is the third turn on the right.

#### KINGS CROSS

Take Metropolitan, Circle or Hammersmith and City underground lines to Farringdon station and follow instructions as above.

#### BY BUS

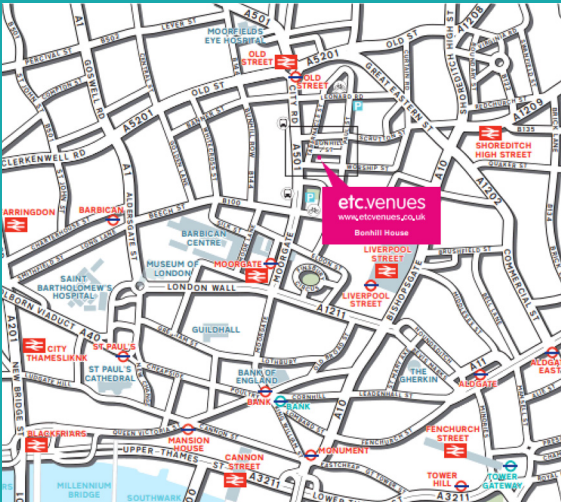

The Hatton is served by a number of bus routes at both ends of Hatton Garden including 55, 243, 8, 17, 25, 45, 46, 242 and 341.

#### BY CAR

There are three NCP car parks within close proximity of The Hatton, one directly opposite the building. The other two are located on Cross Street (Saffron Hill NCP) and on Bowling Green Lane (off Farringdon Road). The Hatton is located very close to public transport links ensuring an easy journey and allowing you to avoid the congestion charge. However if you do need to drive please remember the venue sits within the congestion charge zone – for further information visit [www.cclondon.com](http://www.cclondon.com).

#### BY LONDON CYCLE SCHEME

There are two “Boris Bike” docking stations – one opposite the venue and another located at the Holborn end of Hatton Garden.
