RADIOLOGY UPDATE SERIES: THORAX AND HEPATOBILIARY

ORGANISED BY THE BIR MIDLANDS BRANCH

Venue: etc.venues Maple House, Birmingham

CPD: 5 CREDITS

The BIR Midlands branch presents the first in the 'Radiology update series study days'.

This one-day event is aimed at consultant radiologists and radiology registrars, interested in updating their radiology knowledge in-line with current evidence.

The series focusses on topics in a system-specific method. Lectures will be delivered by consultant radiologists who are highly experienced in their areas of expertise. This study day will focus on thoracic and hepatobiliary radiology.

Educational aims:

- To gain an up-to-date system specific knowledge in the form of interactive lectures
- To provide radiologists, not specialising in that specific system with adequate knowledge to be able to manage relevant pathology encountered day-to-day in an appropriate manner
