GI IMAGING UPDATE

Venue: etc.venues Farringdon– The Hatton, London

CPD: 6 CREDITS

This study day will be a useful refresher course for practising radiologists with a GI interest who may encounter these pathologies and examinations as part of their practice. The event will also be valuable to general radiologists and senior trainees developing an interest in GI radiology.

Educational aims:

- To develop an understanding of common luminal and HPB pathologies, the imaging modalities available in their diagnosis and management and how to interpret them
- To provide an update on the newest techniques in Endoluminal and HPB imaging and revise existing techniques

09:00	Registration and refreshments	11:35	Small bowel MRI: How, when and why Dr Arun Gupta, Consultant Radiologist, London North West University Healthcare NHS Trust
09:30	Welcome and Introduction Dr Michael Steward, Consultant Radiologist, Whittington Health NHS Trust and Dr Minal Jagtiani, Consultant Radiologist, London North West University Healthcare NHS Trust	12:05	Updates in liver imaging Dr Dominic Yu, Consultant Interventional Radiologist, Royal Free Hospital NHS Trust
09:35	Inflammatory bowel disease: What the clinicians need to know Dr Clive Onnie, Consultant Gastroenterologist, Whittington Health NHS Trust	12:35	Pancreatic imaging Dr Claire Smith, Consultant in GI Radiology, Leeds Teaching Hospitals NHS Trust

GI IMAGING UPDATE

Venue: etc.venues Farringdon– The Hatton, London

51-53 Hatton Garden
London
EC1N 8HN

BY LONDON UNDERGROUND- FARRINGDON STATION:
Option 1: Turn left onto Turnmill Street. At the end turn left onto Clerkenwell Road. Hatton Garden is the third turn on the left. Option 2: Turn right onto Turnmill Street. Turn right onto Cowcross Street. Walk past the station entrance. Cross Farringdon Road onto Greville Street. Hatton Garden is the third turn on the right.

BY TRAIN- FARRINGDON/THAMESLINK:
Exit the station onto Cowcross Street, turn right and cross over Farringdon Road onto Greville Street. Hatton Garden is the third turn on the right.

KINGS CROSS

Take Metropolitan, Circle or Hammersmith and City underground lines to Farringdon station and follow instructions as above.

BY BUS

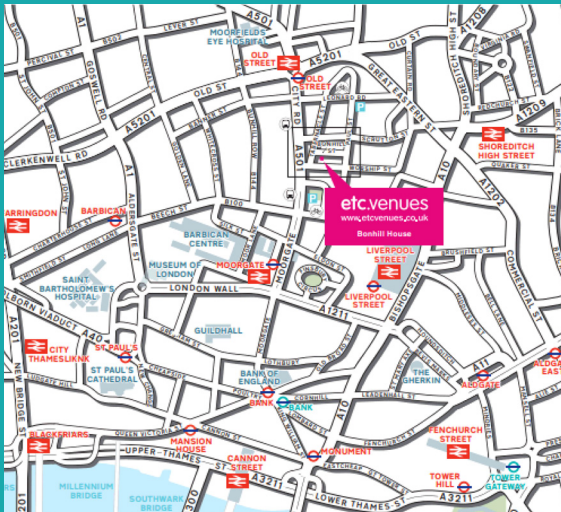

The Hatton is served by a number of bus routes at both ends of Hatton Garden including 55, 243, 8, 17, 25, 45, 46, 242 and 341.

BY CAR

There are three NCP car parks within close proximity of The Hatton, one directly opposite the building. The other two are located on Cross Street (Saffron Hill NCP) and on Bowling Green Lane (off Farringdon Road). The Hatton is located very close to public transport links ensuring an easy journey and allowing you to avoid the congestion charge. However if you do need to drive please remember the venue sits within the congestion charge zone – for further information visit www.cclondon.com.

BY LONDON CYCLE SCHEME

There are two “Boris Bike” docking stations – one opposite the venue and another located at the Holborn
