BIR ANNUAL CONGRESS 2020

4–6 November

VIRTUAL EVENT

The BIR Annual Congress continues to grow. After being sold-out consecutively in 2018 and 2019, we are back this year with some exciting streams to appeal to a multidisciplinary audience in a virtual format - keeping in line with government guidelines. Last year attracted an even wider range of top health professionals and decision makers.

Taking place over three half days with a mix of four streams, the virtual event provides excellent opportunities to engage and interact with attendees, speakers and industry representatives in an open and relaxed format.

This multidisciplinary event will appeal to anyone within radiology, radiation oncology and the underlying sciences, including radiologists, physicists, radiology managers, radiographers, oncologists, clinical scientists, physicians, radiation protection advisers, directors and supervisors.

PRE-CONGRESS SESSION SPONSORSHIP

£1,000 + VAT

- Full delegate list
- Opportunity to choose a speaker of your choice relevant to stream topics
- Opportunity to have a demo session (duration dependant on content)
- Logo on the event webpage and programme
- 200 word profile on the event webpage
- Feature in event email campaign and social media posts

Sponsorship packages

(For more information, please contact us at conference@bir.org.uk)
