BIR ANNUAL RADIOTHERAPY AND ONCOLOGY MEETING 2021

This is a virtual inaugural meeting for the BIR bringing together national and international experts sharing experiences and expertise in a very wide range of aspects for today's cutting-edge radiotherapy and oncology. The latest techniques, technologies, methods and issues will be discussed in this comprehensive meeting taking place over two days. Opportunities aplenty for networking with fellow professionals and discussing the latest offerings from manufacturers.

Who should attend?

This event will appeal to anyone working within radiotherapy and oncology including clinical oncologists, radiographers, physicists, service managers, Linac and IT engineers, dosimetrists, manufacturers and department heads.

Five reasons to attend

1. Enhance your knowledge
2. Hear expert opinion and share your own
3. Refresh your understanding
4. Share your own research
5. Network with colleagues, peers and industry representatives

CPD credits

The full event is worth up to 11 CPD credits in total:

Day 1 = 3 CPD credits

Day 2 = 3 (AI) and 2 (MRgRT) CPD credits

Day 3 = 3 CPD credits
