# BIR TOP TIPS FOR RADIOLOGY APPLICANTS PART ONE:

## BUILD YOUR PORTFOLIO

Virtual event

CPD: 3 CREDITS

This virtual event series consists of exciting lectures on key radiology interview topics delivered by highly esteemed radiology consultants with the opportunity to ask questions during a live Q&A. This year we have also included lectures on Radiology research and audit with valuable tips on how to build a portfolio that will stand out. We will also have interactive workshops with trainees on the application process and how to choose a training scheme. This is a high yield event for anyone interested in applying to radiology.

Part one: Build your portfolio

22 September 2021 9:30 – 12:15

Listen to an audit lead explain how to design a great audit and hear about valuable tips on how to get published and what counts as research on your radiology portfolio. Get the ultimate guide on how to ace the MSRA and making your portfolio stand out with in depth look at essential components from previous successful applicants with plenty of opportunity for your questions.

## Part Two: 15th December 2021

Listen to highly esteemed consultants speak on important interview topics followed by live Q and A sessions. Get insight into the various training schemes through an interactive workshop with trainees from around the country.

\*When you register for part one, you will receive 50% off part two!
