BIR TOP TIPS FOR RADIOLOGY APPLICANTS PART TWO:

PREPARE FOR YOUR INTERVIEW

Virtual event

CPD: 5 CREDITS

This virtual event series consists of exciting lectures on key radiology interview topics delivered by highly esteemed radiology consultants with the opportunity to ask questions during a live Q&A. This year we have also included lectures on Radiology research and audit with valuable tips on how to build a portfolio that will stand out. We will also have interactive workshops with trainees on the application process and how to choose a training scheme. This is a high yield event for anyone interested in applying to radiology.

Part two: Prepare for your interview

15 December 2021 09:05-13:30

Listen to highly esteemed consultants speak on important interview topics followed by live Q and A sessions. Get insight into the various training schemes through an interactive workshop with trainees from around the country.
