

The Future of Radiology Essay Prize

**Make your radiology training or job
application stand out from the crowd.
Open to all medical students, foundation
doctors and core radiology trainees.**

What to do

Write an essay on the topic: "What is the solution to the workforce crisis in clinical radiology?"

Why enter?

Enjoy the prestige of winning an essay prize.

Gain knowledge and understanding so you are equipped for interview questions

Application Criteria

- The competition is open to BIR members only
- All medical students, foundation year doctors and core/specialty training doctors (who are not already radiology trainees) are eligible
- Maximum word limit (for the essay content) is 1,000 words
- Application to be submitted to awards@bir.org.uk
- Closing date for applications: 24 September 2023
- Apply here: www.bir.org.uk/essayprize

1st, 2nd and 3rd prizes will be awarded. Each winner receives a certificate and free access to one BIR virtual event
