Women's Health Imaging Day 2026

7 CPD

PROGRAMME OVERVIEW

This conference is for trainees, early-career radiologists, and allied health professionals interested in women's imaging. It explores cancers affecting young women, covering topics like hereditary syndromes, screening, cancer in pregnancy, and disparities in care, with expert talks, interactive sessions, and insights into emerging challenges and innovations.

PROGRAMME ORGANISERS

Janette Smith, Cambridge University Hospitals

Elisabetta Giannotti, Cambridge University Hospitals
